AI Quickstart for AI for funeral homes

The realistic AI use cases on one page — no hype, with clear limits.

AI for funeral homes: paperwork and texts, not the comfort

- 1. Sensitive drafts for memorial and thank-you texts
- 2. Explaining formalities and procedures clearly
- 3. Answering enquiries in writing, calmly and respectfully
- 4. Structuring internal organisation and checklists

Limit: AI gives you drafts, no guarantees. The professional and legal final check always stays with you.
