AI Quickstart for AI for fire-protection specialists

The realistic AI use cases on one page — no hype, with clear limits.

AI for fire-protection specialists — where it really saves time

- 1. Write quotes and cost estimates faster
- 2. Maintenance reminders to customers
- 3. Appointment organisation and answering customer emails
- 4. Polish inspection reports
- 5. Website, social media and acquisition

Limit: AI gives you drafts, no guarantees. The professional and legal final check always stays with you.
