AI Quickstart for AI for bookshops

The realistic AI use cases on one page — no hype, with clear limits.

AI for bookshops — where it really saves time

- 1. Write newsletters and social posts
- 2. Recommendation and window copy
- 3. Reading and event announcements
- 4. Answer order and customer emails
- 5. Reply to online reviews

Limit: AI gives you drafts, no guarantees. The professional and legal final check always stays with you.
