AI Quickstart for AI for heritage conservation & restoration

The realistic AI use cases on one page — no hype, with clear limits.

AI for heritage conservation & restoration — where it really helps

- 1. Write quotes and cost estimates faster
- 2. Draft letters to the heritage authority
- 3. Prepare material and method info
- 4. Organise documentation and photo documentation
- 5. Website, social media and job ad

Limit: AI gives you drafts, no guarantees. The professional and legal final check always stays with you.
