AI Quickstart for AI for drugstores

The realistic AI use cases on one page — no hype, with clear limits.

AI for drugstores — where it really saves time

- 1. Draft product and application texts
- 2. Standardise online listings and assortment texts
- 3. Prepare advice and tip building blocks
- 4. Newsletters and social about new arrivals, season and promotions
- 5. Answer customer enquiries and reviews

Limit: AI gives you drafts, no guarantees. The professional and legal final check always stays with you.
