AI Quickstart for AI for an ice-cream parlour

The realistic AI use cases on one page — no hype, with clear limits.

AI for an ice-cream parlour — where it really saves time

- 1. Draft flavour and tasting descriptions
- 2. Write counter, sign and seasonal texts
- 3. Online presence and social about flavours, weather and offers
- 4. Answer catering, event and special-order enquiries
- 5. Reply to reviews and maintain standard texts

Limit: AI gives you drafts, no guarantees. The professional and legal final check always stays with you.
