AI Quickstart for AI for consumer-electronics shops

The realistic AI use cases on one page — no hype, with clear limits.

AI for consumer-electronics shops — where it really saves time

- 1. Draft product and comparison texts
- 2. Online listings and ex-display / used-appliance descriptions
- 3. Service and delivery info texts
- 4. Newsletters and social about new products, promotions and seasons
- 5. Answer customer enquiries and reviews

Limit: AI gives you drafts, no guarantees. The professional and legal final check always stays with you.
