AI Quickstart for AI for gutting and selective demolition

The realistic AI use cases on one page — no hype, with clear limits.

AI for gutting and selective demolition — where it really helps in the office

- 1. Write quotes and cost estimates faster
- 2. Answer enquiry and customer emails
- 3. Prep disposal and process info as text
- 4. Pre-draft documentation and handover texts
- 5. Website, social media and job ad

Limit: AI gives you drafts, no guarantees. The professional and legal final check always stays with you.
