AI Quickstart for AI for fishmongers

The realistic AI use cases on one page — no hype, with clear limits.

AI for fishmongers — where it really saves time

- 1. Daily-catch and freshness posts for social media
- 2. Recipe and preparation tips for customers
- 3. Answer order and pre-order enquiries
- 4. Product descriptions for an online shop or delivery service
- 5. Reply to reviews and write a job ad

Limit: AI gives you drafts, no guarantees. The professional and legal final check always stays with you.
