# AI Quickstart for AI for landscaping and garden services

The realistic AI use cases on one page — no hype, with clear limits.

---

AI for landscaping and garden services: quotes and admin, not the work outdoors

- 1. Drafting quotes and scopes of work
- 2. Maintenance contract texts and service descriptions
- 3. Customer enquiries and scheduling
- 4. Seasonal and promotional posts

**Limit:** AI gives you drafts, no guarantees. The professional and legal final check always stays with you.
