AI Quickstart for AI for scaffolding companies

The realistic AI use cases on one page — no hype, with clear limits.

AI for scaffolding companies — where it really saves time

- 1. Write quotes by standing time and square metres
- 2. Sort enquiries from site managers and tradespeople
- 3. Pre-draft handover and inspection protocol texts
- 4. Reply to online reviews
- 5. Website, social and job ad for scaffolders

Limit: AI gives you drafts, no guarantees. The professional and legal final check always stays with you.
