AI Quickstart for AI for an animal sanctuary

The realistic AI use cases on one page — no hype, with clear limits.

AI for an animal sanctuary — where it really saves time

- 1. Draft animal portraits and sponsorship texts
- 2. Donation appeals and supporter communication
- 3. Newsletters and social about new arrivals, daily life and visit days
- 4. Volunteer and helper coordination and standard texts
- 5. Answer enquiries and reviews and maintain standard texts

Limit: AI gives you drafts, no guarantees. The professional and legal final check always stays with you.
