AI Quickstart for AI for canine physiotherapy

The realistic AI use cases on one page — no hype, with clear limits.

AI for canine physiotherapy — where it really saves time

- 1. Draft service and offer texts
- 2. Appointment and owner communication as building blocks
- 3. Online presence, local profile and vet referral cooperation
- 4. Social and newsletters with general movement tips
- 5. Answer enquiries and reviews

Limit: AI gives you drafts, no guarantees. The professional and legal final check always stays with you.
