AI Quickstart for AI for dog grooming salons

The realistic AI use cases on one page — no hype, with clear limits.

AI for dog grooming salons — where it really saves time

- 1. Answer appointment reminders and enquiries faster
- 2. Caption social media posts and before-and-after photos
- 3. Word price lists and service texts cleanly
- 4. Word general grooming tips for owners
- 5. Reply to reviews and write job ads

Limit: AI gives you drafts, no guarantees. The professional and legal final check always stays with you.
