AI Quickstart for AI for orthodontists

The realistic AI use cases on one page — no hype, with clear limits.

AI for orthodontists — where it really saves time

- 1. Write recall and appointment emails faster
- 2. Parent and patient communication
- 3. General info texts for patients
- 4. Prepare treatment plan accompanying texts
- 5. Reviews and social media

Limit: AI gives you drafts, no guarantees. The professional and legal final check always stays with you.
