AI Quickstart for AI in a painting business

The realistic AI use cases on one page — no hype, with clear limits.

AI in a painting business: quotes and customer admin, not the painting

- 1. Draft quotes and scopes of work
- 2. Answer customer enquiries and appointment messages
- 3. Answer complaints factually and calmly
- 4. Draft social posts and review replies

Limit: AI gives you drafts, no guarantees. The professional and legal final check always stays with you.
