AI Quickstart for AI for model-building shops

The realistic AI use cases on one page — no hype, with clear limits.

AI for model-building shops — where it really saves time

- 1. Write product and kit descriptions faster
- 2. Beginner and recommendation texts for categories
- 3. New-arrival info, social media and newsletter
- 4. Answer enquiry and customer emails
- 5. Reply to online reviews

Limit: AI gives you drafts, no guarantees. The professional and legal final check always stays with you.
