

AI Quickstart for AI for tailoring and alteration shops

The realistic AI use cases on one page — no hype, with clear limits.

AI for tailoring and alteration shops — where it really saves time

- 1. Service descriptions and quote text blocks
- 2. Answer appointment and order enquiries
- 3. Reminders for pick-up and fitting appointments
- 4. Social media and newsletter for the shop
- 5. Reply to online reviews

Limit: AI gives you drafts, no guarantees. The professional and legal final check always stays with you.
