AI Quickstart for AI for chocolate makers

The realistic AI use cases on one page — no hype, with clear limits.

AI for chocolate makers — where it really saves time

- 1. Draft product and flavour descriptions
- 2. Online shop listings and gift and seasonal copy
- 3. Corporate and custom-order enquiries and quote building blocks
- 4. Newsletters and social about new items, season and workshops
- 5. Answer enquiries and reviews and maintain standard texts

Limit: AI gives you drafts, no guarantees. The professional and legal final check always stays with you.
