# AI Quickstart for AI for ski service shops

The realistic AI use cases on one page — no hype, with clear limits.

---

AI for ski service shops — where it really saves time

- 1. Draft service and price texts
- 2. Write rental info texts
- 3. Online presence, local profile and multilingual guest communication
- 4. Social and newsletters for season start and snow conditions
- 5. Answer enquiries and reviews and maintain standard texts

**Limit:** AI gives you drafts, no guarantees. The professional and legal final check always stays with you.
