AI Quickstart for AI for board game shops

The realistic AI use cases on one page — no hype, with clear limits.

AI for board game shops — where it really saves time

- 1. Draft product and recommendation texts
- 2. Write online listings and range texts
- 3. Write event, tournament and game-night texts
- 4. Newsletters and social about new releases and the season
- 5. Answer enquiries and reviews

Limit: AI gives you drafts, no guarantees. The professional and legal final check always stays with you.
