The realistic AI use cases on one page — no hype, with clear limits.

AI for fabric shops — where it really saves time

- 1. Write fabric and material descriptions for the online shop
- 2. Pre-draft sewing project ideas and instruction texts
- 3. Course info, social media and newsletter
- 4. Answer enquiry emails and reviews
- 5. Sign, notice and shop texts

Limit: AI gives you drafts, no guarantees. The professional and legal final check always stays with you.
