AI Quickstart for AI for dance schools

The realistic AI use cases on one page — no hype, with clear limits.

AI for dance schools — where it really saves time

- 1. Process course registrations and enquiries
- 2. Answer scheduling and course emails
- 3. Reply to online reviews
- 4. Write event and ball announcements
- 5. Social media and job ads

Limit: AI gives you drafts, no guarantees. The professional and legal final check always stays with you.
