AI Quickstart for AI for diving schools

The realistic AI use cases on one page — no hype, with clear limits.

AI for diving schools — where it really saves time

- 1. Organise course and certification bookings
- 2. Multilingual guest info and packing lists
- 3. Enquiry emails and standard replies
- 4. Reply to reviews
- 5. Website, social media and rental gear texts

Limit: AI gives you drafts, no guarantees. The professional and legal final check always stays with you.
