

AI Quickstart for AI for gate and door builders

The realistic AI use cases on one page — no hype, with clear limits.

AI for gate and door builders — where it really saves time

- 1. Write quotes and cost estimates faster
- 2. Answer enquiry and appointment emails
- 3. Prepare model and drive info as text
- 4. Maintenance reminders and before-after posts
- 5. Website, reviews and a job ad for fitters

Limit: AI gives you drafts, no guarantees. The professional and legal final check always stays with you.
